

The Diving Camp @ Indiana University

Coaching Clinic Forms

Thank you for registering for our coaching clinic! We are looking forward to seeing you in beautiful Bloomington, Indiana! Please note that lodging and meals are included with your clinic.

DUE Friday before the start of your clinic, please submit the following items to us:

- Proof of your current USA Diving Coaches Membership OR AAU Coaches Membership. Proof of this membership indicates successful completion of your national background check.
- Completed Goal Form

Ways to submit Goal Form and USA Diving membership:

- Via email divecamp@trisynerg.com, scan and email, or take photos with your phone and email pics to us
- Via fax 844-234-8348

Questions?

Kelly Gufford, Director of Camp Operations

Email: divecamp@trisynerg.com

Phone: 844-234-8348 ext. 1

Website: www.TriSynerG.com

USA Diving Membership

All coaches must have the proper coaching insurance through USA Diving OR AAU before you will be permitted to participate in our clinic. Proof of either of these memberships ensures successful completion of your background check.

USA Diving coaches membership: <http://www.usadiving.org/resource/becoming-a-coach/>

- Introductory membership is sufficient

AAU coaches membership: <https://play.aausports.org/joinaaau/membershipapplication>

- Non-Athlete – Coach, Officials, Etc. membership is sufficient

Coaching Clinic Goals

Name of Coach: _____ Clinic Session(s) Attending: _____

Years of Coach Experience: _____

Circle the types of program(s) you coach? (college, masters club, age group club, recreational, camps, high school, middle school, lessons, other)

To help you get the most out of your TriSynerG Coaching Clinic experience, we would like to learn more about you.

What do you wish to obtain from attending this clinic?

What part of the sport are you specifically seeking knowledge about?

What part of the dive are you specifically seeking knowledge about?

What do you find challenging as a coach?

What do you wish to take away from this experience with us?

During the clinic we would be happy to help you troubleshoot any tricky technical issues you may be experiencing with your divers. Feel free to bring video with you to show us examples of those pesky bad habits you may wish to pick our brains about.
